Two Rivers Dog Musher's Association is the home to community members whose passions revolve around the Alaskan tradition of dog mushing. For thirty years, this club has continued to fulfill Two Rivers with annual events that serve its affiliates as a continuation of this tradition. We provide ethical treatment of sled dogs through our multiple mid-distance races and non-competitive events, such as our rabies and neuter clinics.

Funding for maintaining our non-profit organization is integral, and what we cannot raise in our community, we look to local businesses and interested parties who would like to contribute to the costs. In return you are rewarded with becoming a sponsor and the association with a highly respected mushing association. We pledge our representation of your business or the individual through our events, outings and online presence. Donations are very much appreciated by our club members and community and if you wish to contribute please feel free to fill out the form below and choose from the several contribution options. Sponsorships last September through the following August and can be renewed annually if desired. Thank you for your support, and warm regards!
