Treasurer Report

Current balances: Paypal \$553.94, Business Checking \$2,899.17, Gaming Checking \$974.80 (767.62 TR 200 purse)

Profit & Loss shared by Ryne. Race numbers for the 2014-2015 season were not available due to canceling the races.

Concern about budget for new snow machine, insurance, and maintenance were shared. It may be hard to count on the Association machine in case it has a major repairs.

Abbie plans to do much of the trail maintenance with her personal snowmachine and the final preparation with Association machine.

Abbie will look into insurance once we know more about what machine is given to the us and suggests planning for the future.

Currenty TRDMA needs to file a yearly report for gaming, if we make more money it would be quarterly.

TRMDA is offically a 501(c)(3) and people who donate can deduct their donations. Ryne also filed the 990 for the first time.

Matt said will look into sponsors that can not sponsor individual kennels but could sponsor a nonprofit.

Volunteer Report

Edie will start contacting people about the Rabie Clinic.

Trail Report

The fire break is awesome.

Matt is going to talk with the man who is interesting in buying the land near the school about trail access.

Matt seems to think the trails are good and has been out with the chain saw cleaning up trees. He put in a new turn around.

Trail potentially put in, extend past Iron Creek along the river and past Grange Hall. Ryne and Abbie will check it out.

Member Questions/Concerns

If the 200 becomes big, we might be able to get more business support.

The next meeting is scheduled for October 7 at 7 pm at the Two Rivers Lodge.
