### **Two Rivers 200**

Ivory Jack's is okay for the start. There will be two road crossings. Chatanika Lodge is also okay with it not starting there.

Need to talk to Steve at Angel Creek. Want to set a three week advance deadline to declare the basic trail route. The aim is to avoid retracking along the same trail as much as possible. Probably will finish at the PVS. Some discussion of having a hospitality stop for camping. Preferred would be to have one check point (e.g. PVS) where everyone would take their differential. Some discussion about the roads which will be used as trails; trucks and plows are unknowns. There will be no 50 mile run. The fee for the 200 mile will be \$400.

14 February will be the opening day for registration. Online registration only. Limit 25 teams for the 200 mile and 15 for 100 mile. Getting a map done and online would be desirable. Chris will be the race manager for the TR200 and is compiling a to-do list.

### **Gaming Permit:**

Gaming permit is approved. Pull tabs and raffle tickets are possible.

### **Volunteer coordinator report:**

Yukon Quest will need a team for the road crossing at mile 27. Becky Alexander will run the checkpoint. Having two people per shift is desirable. Road crossing volunteers are to be notified about four hours in advance. Edie, Chris and Shaynee will be part of the initial team.

### **Treasurer's report:**

There is \$2895.64 in business account.

There is about \$155.95 in gaming account.

About \$500 left in the bib sponsor account. Printing will need to be done soon.

Club snowmachine has been totaled. There is a possibility that the Borough is not going to make snowmachines available going forward. A letter to ther Editor (max 350 words) should be written. Getting another snowmachine would be in the public's interest.

We are getting a new logo from Raven Screens.

The Junior Dog Musher's Association should be invited to the Valley Funaly.

The meeting was adjourned at 8:25. The next meeting is scheduled for 4 March at 7 pm at the Two Rivers Lodge.
