Treasurer's report:

There is \$4815 in business account.
There is \$1516 outstanding in the checking account.
There is about \$160 in gaming account.
There is about \$1000 in PayPal of which \$500 will stay in that account.
Some discussion about getting a PayPal debit card. Decided was that payments going out will continue via bank paper checks and bank debit card.

Soltice Race debrief:

Our tent is trash. Stacy will dispose of the old canvas. We could downsize and use the existing tubing. Approximately \$1000 is needed for a reasonable replacement. A 12x14x4 canvas is needed. A pre-made canvas tent makes more sense. Corky will look into securing a military tent as a back-up. PVS is owed about \$250 for gas for the trailbreaking work. The Borough's snowmachine will need to be repaired. Hopefully their insurance will cover the damage. Some discussion about eventually getting our own snowmachine.

Bibs are on order. We will get the version with snaps. Business sponsorships get their name printed on the front of bib.

The Yukon Quest will be contacted to assure that trails don't conflict.

Route for the TR 200 is in question. The Chatanika Lodge trail might not be usable. It is 25 miles from Ivory Jacks (potential starting point) to the Chatanika Lodge. This would help give us a 25 mile buffer at the beginning of the race. Snowfencing should be used on Flattop.

TR200 scheduled for March 13 will be opened for registration about 14 February. Sign ups will be only online and not in person. Entry fee will be \$400 per musher. Trackers are desired for the TR200. Melinda Shore is tasked to check into this. Costs for trackers are estimated to be at just over \$300. Batteries are to be changed out at the half way point.

The rules for the Chatanika race will be edited at the reviewed meeting. Chris will be the race manager for the TR200 and she requests a race committee.

The meeting was adjourned at 8:10. The next meeting is scheduled for 4 February at 7 pm at the Two Rivers Lodge.
